1. It has been proposed that in view of the referenced agreement and since no CIA/TALENT Security inspections have been conducted of the TALENT Control Centers listed below, that an inspection be conducted of certain USAF TALENT Centers within the United States.

2. RECOMMENDATION: It is recommended that in the very near future the TSO/CIA conduct a security inspection (by invitation) at the following TALENT Control Centers.

- A. USAF TALENT Control Centers *Phone call on 10 Nov 58*
1. SAC - *Omaha, Neb.* St. Louis, Mo., SAC Headquarters

b. If in your opinion prior to the inspection, formal letters requesting and approving the inspection be exchanged, then the TSO/CIA will prepare a letter to the USAF requesting the inspection and await the receipt of an approval. If on the other hand it is believed that the TSO/USAF, Colonel Fisher's verbal invitation and authorization is sufficient, then the usual letter need not be prepared.

Agree if Fisher agrees. 25X1A9a
